

Heroes Convention

Monday, 02 June 2008

That time of year again! Heroes Convention was founded in 1982 by Shelton Drum, owner of Charlotte's Heroes Aren't Hard To Find comics shop. Since then the convention has become famous for its comics-first and family-friendly atmosphere, where fans can mingle directly with professionals and exhibitors. Boasting an incredible guest list built mainly on reputation and goodwill, HeroesCon is known nationwide as a "must" on the summer schedule, drawing fans, exhibitors, and creators from every region of the country to the Charlotte Convention Center.

HeroesCon is also the home of Indie Island, a 10,000+ square foot section in the middle of the convention, dedicated to indie and alternative comics creators and publishers. Since its founding in 2005, Indie Island has quickly become one of the preeminent alternative comics gatherings in the country.
