

## Herbster & Stremlau Wedding

Monday, 05 May 2008

Freddie has just completed a very personal project; A website, and invitations for good friend and partner Stephen Herbster. With Stephen and bride to be Rose friends and family spread all across the United States the website will serve for an information hub. Hosting maps, directions, hotel links, etc. for everyone to use. You can view more details about the project in our portfolio section: [HERE](#)
